SUMMARY

Full-Stack Software Developer with experience in building web applications using Java, Spring Boot, React, and relational databases such as MySQL and Oracle. I enjoy designing clean, maintainable systems and turning real-world problems into functional digital solutions. I have worked on academic and collaborative projects with social and environmental impact, and I am continuously improving my skills in cloud technologies and modern web development.

WORK EXPERIENCE

Junior Developer

Apr 2025 - Oct 2025

Tata Consultancy Services (TCS)

- Developed and maintained web applications using Spring Boot and frontend frameworks.
- Worked with relational databases, implementing queries and data persistence logic.
- Collaborated in agile teams, participating in sprint planning, daily meetings, and code reviews.
- Assisted in debugging, testing, and improving application performance and stability.

EDUCATION

Professional Technician in Information Systems Programming

Aug 2023 - Jun 2025

Politécnico Jaime Isaza Cadavid

- Focused on software development fundamentals, programming logic, databases, and web technologies.
- Completed academic projects using Java, Spring Boot, SQL, HTML, CSS, and JavaScript.

Technologist in Data Systematization

Aug 2025 - Present

Politécnico Jaime Isaza Cadavid

- Advanced studies in software development, system analysis, and data management.
- Introduction to cloud computing concepts, deployment models, and scalable systems.
- Strengthening skills in backend development, databases, and scalable application design.

TECHNICAL SKILLS

Backend & Databases

- Java, Spring Boot, JDBC, REST APIs, MySQL, Oracle, PostgreSQL

Frontend:

- React, Next.js, HTML, CSS, JavaScript, Tailwind CSS

Cloud & Tools:

- AWS (fundamentals), Git, GitHub, Maven, Gradle, Postman, IntelliJ IDEA

ADDITIONAL INFORMATION

- Technical experience:** Experience working with agile methodologies.
- Languages:** Spanish, English
- Awards/Activities:** Received the award "Best Semester Project" for EcoBoost (2024-1).
